Britax Baby Carrier

\$129.99-139.99

Britaxusa.com

Built for comfortable extended wear, this carrier reduces back and shoulder strain and is suitable for carrying children up to 32 pounds.

Mom Susie says, "Hands-free while holding the baby. Comfortable. Baby can face backward or forward."

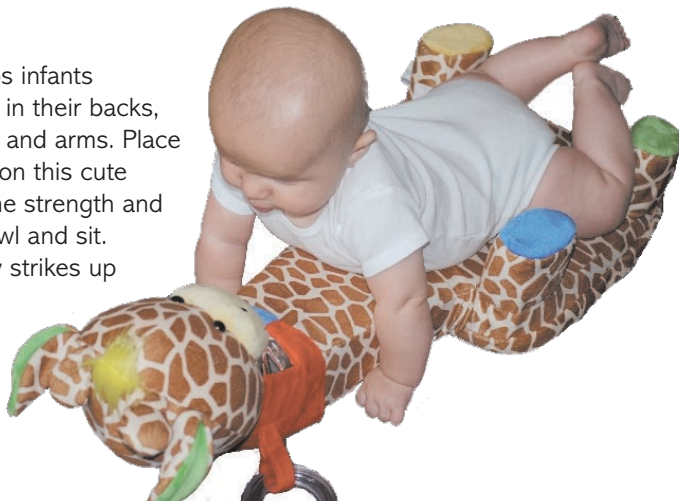

Biddy Belly Giraffe

\$39.99

Biddybelly.com

Tummy time helps infants develop muscles in their backs, necks, shoulders and arms. Place baby face-down on this cute giraffe to build the strength and agility to roll, crawl and sit.

"This funny toy strikes up baby's curiosity," says mom Jessica.

Disney Baby Cuddle Bodysuit

\$19.50 for 3

www.babyzone.com/disney-baby

100 percent cotton bodysuits resist shrinkage after washing. Double row of snaps allow for longer wear on growing babies. Available in lots of colors, patterns and images of favorite Disney characters.

Mom Jessica says, "Very soft and comfortable for baby."

Munchkin Safety Gates

Prices vary

Infantgates.com

Place these convenient two-way gates anywhere in your house to protect babies and toddlers and prevent injuries. Munchkin Safety Gates meet U.S. safety standards and are available in a range of materials and finishes.

Mom Sarah says, "Great locking device. Easy to install and really sturdy!"

Babba Burpie Cloth

\$22.50

Babbaco.com

This innovative burp cloth eliminates the need to carry multiples. When one side is dirty, just turn it inside out!

Mom Sarah says, "Super-cute reversible burp cloth makes a great gift. Nice, soft material!"

Exederm

\$12.99-14.99

Exederm.com

Fragrance-free, non-irritating products for ultra sensitive skin gently cleanse and deeply moisturize without using unnecessary chemicals. Designed for babies and children with eczema, dermatitis and dry or sensitive skin.

Mom Jessica liked the mildness of the products and says, "No tears!"

Stacking Cups

\$10.99

GreenToys.com

Dishwasher-safe and made in the USA from 100 percent recycled plastic milk containers. Numbered stacking cups teach basic counting and math concepts. Scoop and pour, build towers or sort sizes for endless fun.

Mom Jessica really likes these eco-friendly, numbered cups.

NuturMe Baby Food

Prices vary

NurturMe.com

These quick dried, nutrient-rich foods come in small, light-weight pouches. Weighing less than one jar, each recyclable box contains 8 pouches of all-natural goodness. Just add water, formula or breast milk.

"Healthy and easy to use," says mom Susie.

"Yummy, fresh-tasting baby food," says mom Sarah.

Go Anywhere Booster Seat

\$39.99

Polargear.co.uk

The ASTM-compliant booster seat attaches to a wide variety of seat and chair styles, and folds up into a small travel-friendly bag with strap and handle. It can be secured to any chair, five-point harness keeps child safe.

"Very compact and easy," says mom Sarah. "This was a hit on our family vacation!" ❖
